Dear Allen,

David Cropper, Chairman of the Hiawatha Canal system advised me that John Campbell, P O Box 3290, Hailey, Idaho 83333, has blocked our access road in the process of building his home. This road leads to the gauging station for the Hiawatha Canal, from the Big Wood River.

Would you please write to Mr. Campbell and advise him that the Watermaster, Deputies and Canal personnel need a road right of way to the river and the gauging station.

Thank you for your assistance.

Sincerely,

Lee R. Peterson
Watermaster
